Chuck Swindoll is an incredible preacher and writer. Many years ago I was going through a very hard time as a missionary in Central America. I had been severely beaten, robbed and left to die. I really struggled afterward. This book was an encouragement beyond description. I recently purchased and read Chuck's book again and am so glad I did.

Wasn't my choice for a good read, needed it for Sunday School. Like "Uncle Chuck" but this wasn't my kinda read.

Well , I visit his church often, so all I can say is, "I never get enough of his Godly teaching, and his wonderful infectious wit and humor." Makes Christianity fun.

Charles Swindoll's books are an easy read, always encouraging and full of God's Word! I've read many of his books and will look for a new one right now. Thank you for all you do!!

Swindoll writes a good companion study of First Peter. I used this book as a supplement when teaching. It was enjoyable and an easy read.

Great encouraging read.

I read this book first in 1998 and I try to read it every other year. It is one of those books that each time you read it you learn something else and it is very uplifting. Unfortunately, for me the title doesn't really reflect the contents, give it a read and you will understand my rereading of this great book!

Completely satisfactory.
