Women Touched By Jesus is a Bible study based on the lives of women who met Jesus personally while He walked on earth. Through their experiences you will discover answers to questions you might be afraid to ask. Questions like: Why doesn't God answer my prayers? How am I to serve God when I'm so busy? What if I've committed adultery or worse? Can God love me? Through personal studies and fictional stories you will come face to face with Jesus and He'll touch your life too!
