got this for my elderly mother who adores crossword puzzles but was struggling with the tiny ones in the newspaper

Third review. Third volume ordered. Friend is always thrilled to get the NY Times crossword puzzle books from me.

I purchased this for a friend whose eyesight is gradually failing (80 years!). I, also like the large print although the puzzle framework is on one page and the clues on the other page. This makes it more suited for use on a table or desk rather than being able to carry it around to work on whenever you have to wait, such as at the doctor's office.

Mom used to dearly love the daily crossword puzzle in the newspaper. Her eyesight has been getting too poor to read the small newsprint. This NYTimes Edition will allow her to enjoy her crosswords again. Merry Christmas indeed.

This was a hard to find these in retail stores. My Mom loves crosswords and has trouble seeing the small print version. She was glad to receive this and the tow others I purchased for her.

My mom thoroughly enjoys clever and difficult crossword puzzles, however her eyesight isn't what it used to be...these large print books are perfect and she doesn't require a magnifyer to use 'em.

I enjoy all of the puzzles I have worked, I am running out of them, most of them I have done.
