The captain was a madwoman with a scattergun. The soldiers were a whore, a surveyor's assistant, a writer, a crusty old Irishman, two murderous brothers, a criminal, and a county hunter. And the only way out of the mountains was on a frigid river that flowed toward the Missouri--a river running with blood. Texas-born Cole Anthem was the bounty hunter. He had followed an outlaw right into the middle of a major Indian uprising and a battle that turned into a slaughter. Now Cole and the other survivors of a raging Cheyenne war are taking the only chance they have: riding a woman's keelboat toward safety. But up and down the Rogue, a glory-mad chief hasn't given up. His warriors are armed and waiting--to spill the white men's blood...

## Reviews of the [Rogue River \(The Texas Anthem Series\)](#) by Kerry Newcomb

Llanonte

Newcomb is a master. One of my favorite series. 5 books in the series. If u love Westerns u will love this series. Make sure u start with book 1.

Bradeya

Great series ,

Aloo

I am completely satisfied with this item. The item was as described and I received great customer service. I thoroughly enjoy the work of this writer - a good, fast read that keeps me interested from front to back.
