From the *New York Times* bestselling, award-winning author of *Chieftain*, this dazzling novel set in Scotland and tidewater Virginia brings Arnette Lamb's Clan MacKenzie series to a spectacular conclusion. En route to join her betrothed, Cam, Virginia MacKenzie is sold into slavery by an unscrupulous sea captain, and Cam searches for her for years, only to learn that he must recapture her heart.

Reviews of the True Heart by Arnette Lamb

Paster

loved the book. arrived exactly as ordered.

Rich Vulture

Simply loved this book and the Trilogy. This Author kept my interest throughout the book, which was the case in the entire series. I could not wait to read the next one.

Gela

Have the paperback, just bought the ebook

Vuzahn

Great sequel to previous books by lamb.

VAZGINO

Ms Lamb didn't write many books, but they are all quite good. This was the finale (3rd) in the MacKenzie series.

She died at a young age....

Kesalard

I have all of Lamb's books. I agree with the other reviewers about the tragedy of the death of a fine writer. I prefer my romantic fiction with a Scottish theme and hers are the best I've ever read. My favorite is "True Hearts", although it's hard to choose between that and "Highland Rogue". The complete MacKenzie series needs to be read, to understand all the family connections. I knew as I read True Hearts, that it was the last book about the MacKenzies. As well as it ended, it was sad to know Lamb wouldn't be around to add to the series at some later date.

Antuiserum

Arnette was always one of my favorite authors and this, her last book certainly lives up to the humor and rich details of her previous works. I don't know about the rest of you, but I'm certainly going to miss her books. Cancer is a tragic disease and I hate that it robbed us of one of romance's brightest stars.

Kudos and thanks, Ms. Lamb for carrying on until the end. I only wish I could have told you how much your work meant to me before it was too late.

this is the final book in the Clan MacKenzie saga. If you've read and enjoyed the other books in this series, especially Beguiled, Agne's story, then you owe it to yourself to pick up True Heart and find out what happened to Virginia.

Fans of Scottish Historicals should seek out Miss Lamb's books as they are older but better than some current novels out there. 5 stars!
