Family trouble! Growing old quietly was never really an option for Nick Sharman. When he takes on a job for a prosperous Manchester businessman looking for his runaway teenage daughter, Meena, he should, perhaps, have known better. He finds himself in a race against time to save he girl from the kind of trouble that gives families a bad name. Trying to do the right thing, Nick swaps sides and ends up starring in his own version of a *Straw Dogs* shoot out with family and friends, where nobody comes out the winner.
