#1 *New York Times* bestselling author Iris Johansen combines romance and adventure in this exotic tale of finding the love of your life in the last place you'd ever look. She was stranded in a deadly sandstorm when he rode to her rescue like a desert prince on his black stallion. On a lark Billie Callahan had come to the Middle East to play a minor film role in a desert epic. Suddenly she found herself starring in a real-life romantic adventure. Cowboy, hero, friend of sheikhs and princes, David Bradford spoke like a poet in the drawl of his native Texas. What was this mysterious, eccentric, and irresistibly seductive man doing in Sedikhan, and what did he want with an ordinary woman like Billie? Her curiosity piqued, Billie followed David to the lavish pleasure fortress he called home, with its armed guards and adoring staff. He warned her that the pleasure he offered her would last forever. What he didn't know was that Billie only believed in now.

## Reviews of the TOUCH THE HORIZON (Loveswept) by Iris Johansen

Morlurne

I love the fact that David Bradford was given his own story after the previous book. It was good to see his healing. Having Billie Callahan as the heroine in this book was very creative. The two "lost" individuals were destined for each other. I loved it!!!

Mr Jeïson

IRIS JOHANSEN IS ALWAYS ON TOP OF HER GAME AND SHE IS ABSOLUTELY ONE OF THE BEST WRITERS THAT ANYONE WHO ENJOYS READING WOULD APPRECIATE! EVERY BOOK SHE WRITES I BUY IT AND I CANNOT PUT THE BOOK DOWN UNTIL IVE READ EVERY BIT OF IT, EVEN STAYING UP ALL NIGHT AND YET READING IS SUPPOSED TO MAKE YOU SLEEPY BUT HER BOOKS SURE DON'T!!!!I ONCE PLACED ABOUT 7 OF HER BOOKS AFTER READING THEM BY THE POOL WHERE WE ALL PLACE BOOKS FOR OTHERS IN THE HAWAII CONDOS CAN READ, THE NEXT DAY EVERY ONE OF HER BOOKS HAD BEEN TAKEN BUT EVERY OTHER BOOK PLACED THERE BY OTHERS WERE STILL SITTING THERE....THAT SAYS IT ALL!!! DIANNA FROM CALIF.

AS FOR AMAZON, I THINK THEY ARE THE BEST TO SHOP AT AND I PURCHASE EVERYTHING I CAN FROM THEM. THEY STAND BY THEIR PRODUCTS AND SHIPPING OFTEN SAYS STANDARD SHOWS UP AT OUR HOUSE THE NEXT DAY. AMAZON CAN BE TRUSTED BY ANYONE AND YOU CANT GO WRONG BY PURCHASING FROM SELLERS THEY ALLOW TO LIST THINGS ON THEIR SITE BECAUSE AMAZON DOES CHECK ON THEM AND IF THEY ARENT DOING WHAT IS EXPECTED THEY DO NOT GET TO SELL FROM THEIR SITE!!I HAD A PROBLEM ONLY ONE TIME FROM A SELLER OF PRODUCTS ON AMAZON AND THAT SELLER WOULD NOT RESPOND TO ME WHEN THE PRODUCT WAS DEFECTIVE BUT AMAZON DID CHECK ON THE SELLER, I TOLD THEM OF THE PROBLEM AND IT WAS IMMEDIATELY REPLACED WITHOUT QUESTION BY AMAZON SO I AM A BELIEVER WHEN IT COMES TO BUYING FROM AMAZON!

Iesha

I am a fan of Johansen's old Loveswepts, especially the Sedikhan stories, from their original 1980's publication.

It is a Category, so it's a very quick read. But you will smile, maybe tear up, and spend a little time with characters that capture your interest. The occasional social references that are more than 30 years old are obviously dated, but you can ignore them as easily as the technological ones: the "oohh" Selectric typewriter for an author made me laugh.

Enjoy.

Gralsa

A love that last beyond the dun is what we s yearn for. But few find it or keep it if it is found. This book promises such a love.

Fordrelis

This is the third in the series, and when it was first published, I couldn't wait for it to come out. David's story and his life were so special. This book kept the same emotion and enthusiasm for me as the first two. There are a couple of deep messages throughout these books that you can appreciate while enjoying the story.

Felolv

The story is good and i enjoyed listening while stuck in traffic. There's humor and lots of imaginary hero and heroin that entails the romance as it was written.

Faulkree

Love her books

good book
