

Handbook of nanostructured materials and nanotechnology

ISBN: 012513763X

ISBN13: 978-0125137638

Book title: Handbook of nanostructured materials and nanotechnology

Publisher: Academic Press (2000)

Category: Technology

Size PDF version: 1477 kb

Size ePUB version: 1430 kb

Size FB2 version: 1288 kb

Other formats: docx lrf lit mobi

012513763X
